Boasting beautifully lush gardens surrounded by turn of the century wine-making implements, with historic olive trees that offer year round shade and an immaculate lawn. Built Circa 1900, the Bernardo Winery Barrel Room is an amazing piece of old California history. Framed in Northern California Redwood and filled with redwood vats handcrafted by master Coopers in early 1900. This building was the original winery, housing and curing Estate Wines for over 50 years of production, prior to the establishment of our current State of the Art Winemaking Facility. The character and charm this venue has adds something to your event that you would be hard-pressed to find anywhere else in the world. Upon entering the Barrel Room, you will experience the scents and delights of 100 years of winemaking history. Using old world technology, being built into the hill, with high ceilings the Barrel Room stays a constant cool temperature all year round. **Closes at 9pm. Capacity of 50**

Uncle Vito's Park

Uncle Vito's Park was named after one of the most fun-loving members of the Rizzo Family. Without fail each week Uncle Vito would mow the lawn and make sure 'his' park was immaculate for the family festas that weekend. This venue is one of the most beautiful park-like areas around, surrounded by a producing vineyard, shading olive trees, gazebos and covered in thick lawn. The shadow of a century-old windmill casts itself over the park in the afternoon. This venue also boasts 1,200 square foot of covered patio, a soothing fountain with rose garden. **Closes at 6pm. As a courtesy to our neighbors and other guests at the winery amplified sound is monitored very closely. However, for your convenience and enjoyment, we provide a professional surround sound system in all venues to mitigate the sound exiting the venue, while still keeping it at an enjoyable level within. If you do opt to use a music provider for your event, **Bernardo Winery requires that you hire from the list of Preferred DJ's listed on the Preferred Vendor List within this package.** Preferred DJ's are required to comply with requests from Bernardo Winery staff including, but not limited to; content of performance and volume level. No music with obscene content or inappropriate language will be allowed on the winery grounds. Please inform the event office of any additional musicians on site so that they can be familiar with our rules and sound system.

Other Notes

Our property is vast compared to many venues in San Diego. Please be aware of your child's location during an event. Children may wander away from an event venue and then run the risk of getting hurt in parking lots, driveways or on our very antique equipment. Also, strewn around the winery grounds are antique artifacts from decades ago that are attached to walls and poles. Please be careful not to bump them or take them from their home.

Since the Bernardo Winery is very prone to fire damage, we do not allow any open flames. That includes sparklers, candles fires etc. However, we do allow votive candles in proper hurricane vases. Please ask the Event Manager if you are unsure about what may be allowable or not. No staking on our turf in Rosario's Pavilion of any kind.

No drones allowed on any part of Bernardo Winery property.

Since Bernardo Winery is private property you are allowed to leave parked cars over night with the notification and permission of the events staff.

Standard Equipment

Equipment offered on contract considered to be Standard include 60" inch round tables, suitable for seating 8-10 guests and white padded chairs. In addition, sweetheart table for Bride and Groom and additional banquet tables for wedding party. Wine barrels, cocktail tables and Market umbrellas are also included in contract. Upgrades for seating may be purchased through the winery events office.

All of our venues are smoke-free. Smoking only permitted in designated parking lots, this includes vaping.

Bernardo Winery will not be responsible for items left on the grounds after the conclusion of the event. Please make sure to inventory and account for all items before you leave the property. Items left will be discarded after 15 days-or become property of Bernardo Winery.
