

POWELL
GARDENS

Simply Stunning

BY DAY OR BY NIGHT AND IN EVERY SEASON
Wedding ceremonies and receptions set in a tapestry of gorgeous gardens.

Thank you for considering Powell Gardens, Kansas City's botanical garden, for your wedding day. With spectacular scenery and world class architecture, Powell Gardens offers several distinct options for ceremonies and receptions. Whether you're dreaming of a simple garden wedding, a country chic outdoor affair, an elegant indoor ceremony or a combination, you can find it here. You'll also find a choice of caterers and a new "Exclusively Yours" package for added flexibility in the timing of your event. We can't wait to help you plan your perfect day!

Ceremony and Reception Spaces for Every Season

Our most sought-after ceremony location is the inspiring Marjorie Powell Allen Chapel, designed by award-winning architect Fay Jones. This breathtaking space is perfect for ceremonies any time of year and pairs with receptions in the Visitor Center's Grand Hall or Multipurpose Room, depending on the timeframe you select. The gorgeous Fountain Garden is included for receptions in the Multipurpose Room during the warmer months. This garden is built around a stone-cut floral pattern fountain that shines day or night with ever-changing water patterns.

The 12-acre Heartland Harvest Garden, which opened in 2009 as the nation's largest edible landscape, provides a private space for outdoor weddings and receptions in a range of sizes and styles. The Mediterranean-themed Vineyard provides an intimate setting for an outdoor ceremony. Vine-covered hoops, an intricate garden gate, a pathway flanked with roses and a wine casket water feature create a tranquil scene for the exchange of vows. The open-sided contemporary Missouri Barn can seat 200 under its sky-lighted roof. This seasonal space opens to a dramatic garden tapestry for a one-of-a-kind reception.

Catering

Powell Gardens works with a list of preapproved caterers so you have a choice of price ranges and styles. Each caterer knows our facility and will be ready to work with you.

Exclusively Yours Packages

Because we are a non-profit botanical garden by day, the timeframes for events at Powell Gardens are naturally narrower than some other venues. For wedding parties that need longer timeframes or more flexibility in the timing of their wedding day events, we now offer "Exclusively Yours" packages that allow more time in the gardens, dressing room and chapel.

The enclosed pricing sheets provide more detail about each of our packages and the amenities included when you book your wedding and reception at Powell Gardens. We look forward to working with you to make your wedding day one you will cherish for a lifetime!
