Barnsley
RESORT

A Barnsley Resort Wedding

The resort's namesake, Godfrey Barnsley, married his beloved Julia nearly 200 years ago, beginning our long tradition with fairy-tale romance. In her honor, he completed a grand 19th century Italianite villa surrounded by both formal English boxwoods and natural woodlands gardens in the heart of Northwest Georgia. Julia and Godfrey's great love story continues as couples echo their vows amidst the dramatic ruins of their grand Barnsley manor home.

Today, Barnsley Resort pairs the fabled romantic origins of Godfrey and Julia with a charming luxury resort experience. With its unique English-inspired village setting, located just an hour from Atlanta and Chattanooga, Barnsley Resort offers an idyllic location for your dream wedding. A variety of indoor and outdoor venues are available for gatherings large and small, and for every step of the celebration when planning an event in any season.

A dedicated team of wedding specialists is devoted to making your experience seamless, so all you have to do is enjoy the festivities with your future spouse. Our Wedding Team is supported by an experienced team of colleagues from expert culinarians to banquet professionals dedicated to making each wedding memorable and authentic based upon your wishes and specifications.

Your honored guests will enjoy a variety of activities and accommodations to enhance the feeling of camaraderie and celebration surrounding your event.

With so much to offer, each wedding at Barnsley Resort is truly unique.

Preferred Venues

Manor House Ruins

The iconic 19th century manor house ruins are our most unique and preferred backdrop for both ceremonies and receptions. Couples often say their vows on one of two lawns adjacent to the ruins, followed by cocktail hour within the various rooms of the estate. Afterwards, guests proceed to the dinner reception on the second lawn. The larger Perennial Lawn is framed by the ruins on two sides and a perennial garden on the third. The Museum Lawn overlooks the boxwood parterre garden in front of the ruins. Permanent wooden arbors are located at one end of each lawn, providing a focal point for the ceremony. Our wedding experts will guide you to select the best options based upon your guest count.

You are welcome to rent anything needed through our preferred vendors. If you need to use another company please get approval through us first. Each non-preferred vendor is required to fill out the Vendor Application and provide Proof of Liability Insurance.

If you are able to have items shipped/delivered to your home address; you are welcome to bring in rentals, set them up within the 4 hour set-up window prior to the ceremony start time, set rentals up & break them down so they are removed at the end of the night. Please keep in mind that we (Barnsley Resort Staff) do not handle these items and will not be able to store them prior to the 4 hour set-up window or after the event.

Most rental items will need to be shipped/delivered to Barnsley Resort. In this case, the invoice must go through Barnsley Resort. We are happy to accept delivery, set-up items according to our standard set-up, and ship items back. An up charge will be applied for handling & labor. If you use Barnsley Resort preferred vendors and the invoice also goes through us you will receive our discounted rates. The up charge is applied to the discounted rate and not the original cost.
